WINDSOR HALL

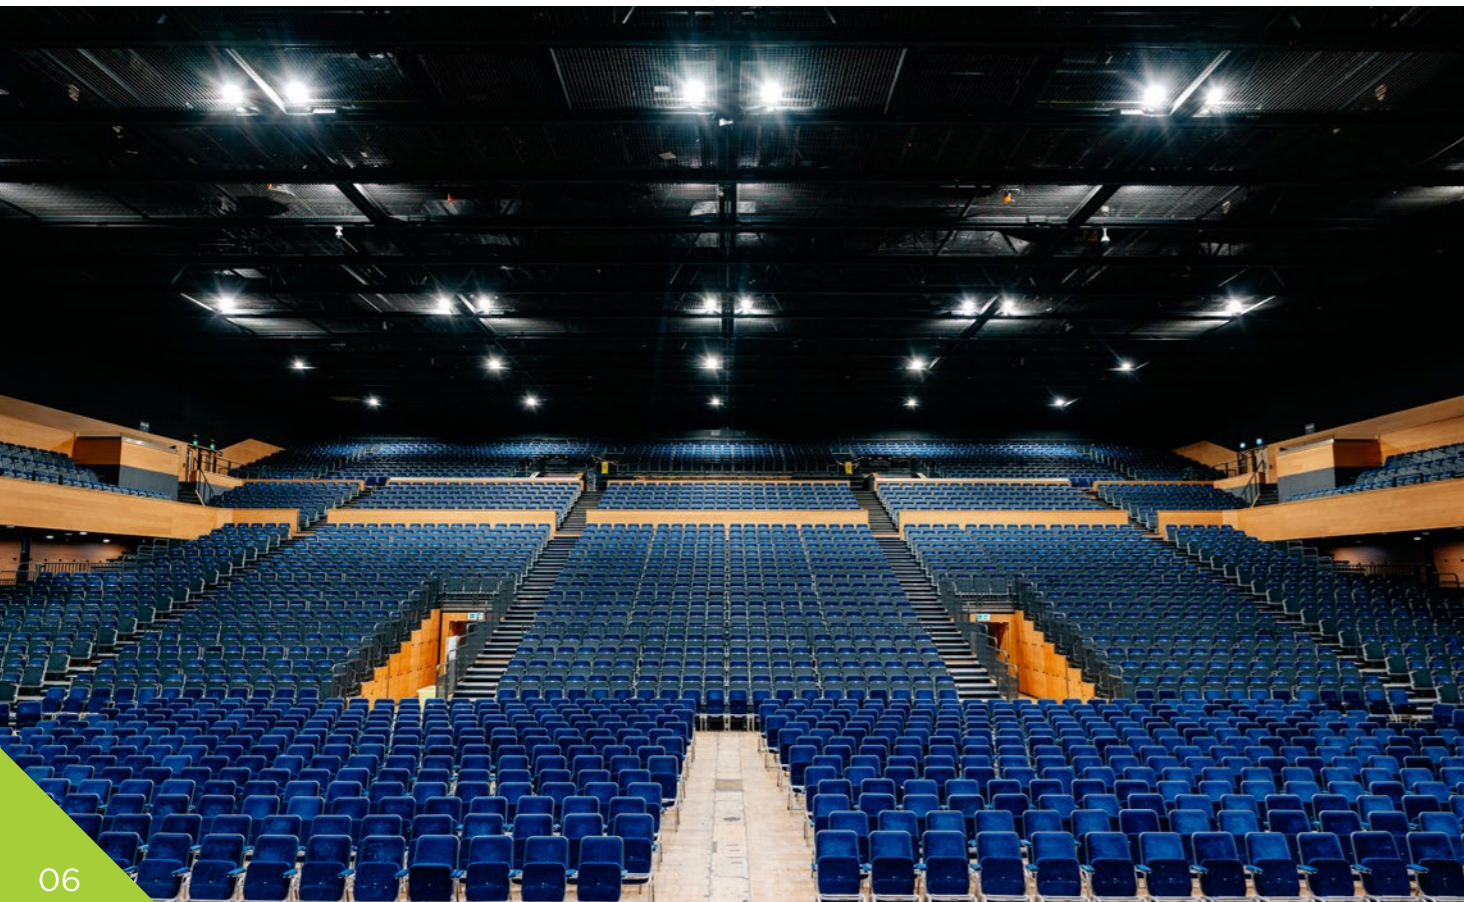

The largest one
2,025m²

Boasting 2,025m² of floorspace, our Windsor Hall accommodates up to 4,000 people in a mix of floor and raked theatre-style seating.

We can push back the lower tiered seating so it's flush with the upper level for more floor space – ideal for larger exhibitions, conferences and gala dinners.

We've also got a vehicle loading bay.

Banqueting Style	960
Cabaret Style	776
Classroom Style	800
Reception Style	2,500

SOLENT HALL

The one overlooking
Bournemouth Bay
1,250m²

A light, spacious room, with uninterrupted views stretching from the Purbecks to the Isle of Wight. The perfect antidote to city fatigue!

This clear and airy space with its high ceilings spans 1,250m², perfect for exhibitions, union events and trade shows. With private access, the Solent Hall gives delegates a sense of openness and security, suspended for a while from the outside world.

If your event demands no natural light, we have all the blinds in position to blackout the windows, often the preference for conferences, awards ceremonies and meetings. When organisers opt for our larger Windsor Hall for exhibitions and a selection of breakout rooms for specialist discussions, the Solent Hall is ideally suited for plenary sessions.

TREGONWELL HALL

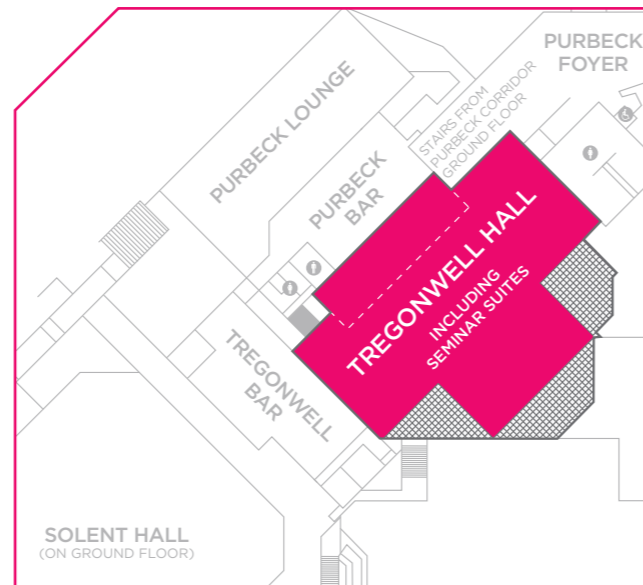

The one with two floor levels

723m²

A popular conference space with full acoustic panelling for crystal clear sound. The floor space is arranged over two levels, with a fixed stage.

The overall 723m² floor space can accommodate a maximum of 1,000 theatre style and has a versatile selection of breakout areas close-by.

Event organisers often choose Tregonwell Hall as their main hall for a conference or plenary event, but its flexibility works well for live-streaming presentations, product launches, seminars, panel discussions and networking events. It also has two optional breakout spaces.

PURBECK HALL

The round one

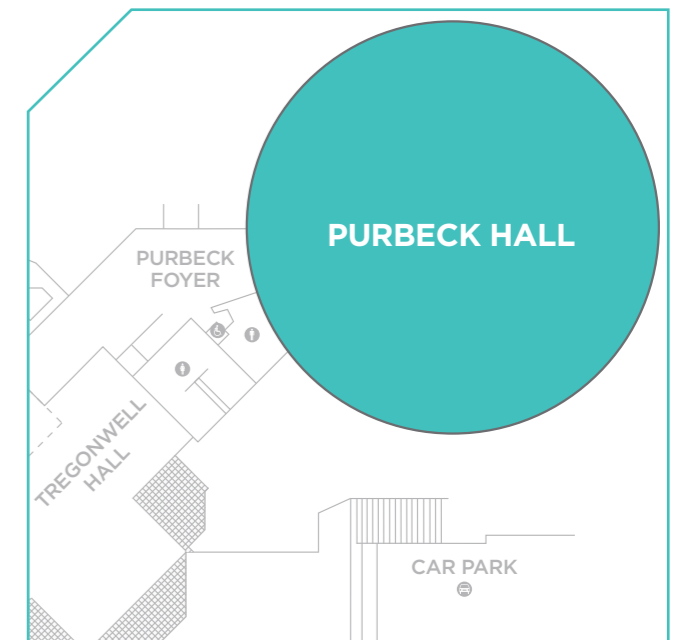

1,800m²

This circular, pillar-free space with a high wooden domed ceiling offers an impressive space and fantastic flexibility for exhibitions, gala dinners and conferences.

With no fixed seating or stage, you have complete freedom to create the space you want. Ideal for trade exhibitions to accompany your conference, or to host your dinner.

Access is easy. There are two 4.5m x 4.2m roller doors positioned to the north and south of the hall, making it easy for contractors to access via a private road.

It's also worth noting the floor has a high load tolerance of 1,020kg per square metre. We've welcomed everything from buses and boats to helter-skelters and jets!

BREAKOUT SPACES

With built-in flexibility

In addition to the four main halls, we have 15 fully functional and easy to configure breakout and meeting spaces.

Choose the configuration that works best for your event; it might be theatre style, cabaret, classroom or boardroom. Some of our breakout suites have partition walls for larger or smaller occupancy; perfect for

those small exhibitions or workshops you need to run alongside a larger conference or exhibition. With plenty of room options, you can set up dedicated spaces for fringe meetings, panel discussions, prayer rooms, press interviews, emergency meetings, project reviews, boardroom suites or informal lounges.

PAVILION THEATRE & BALLROOM

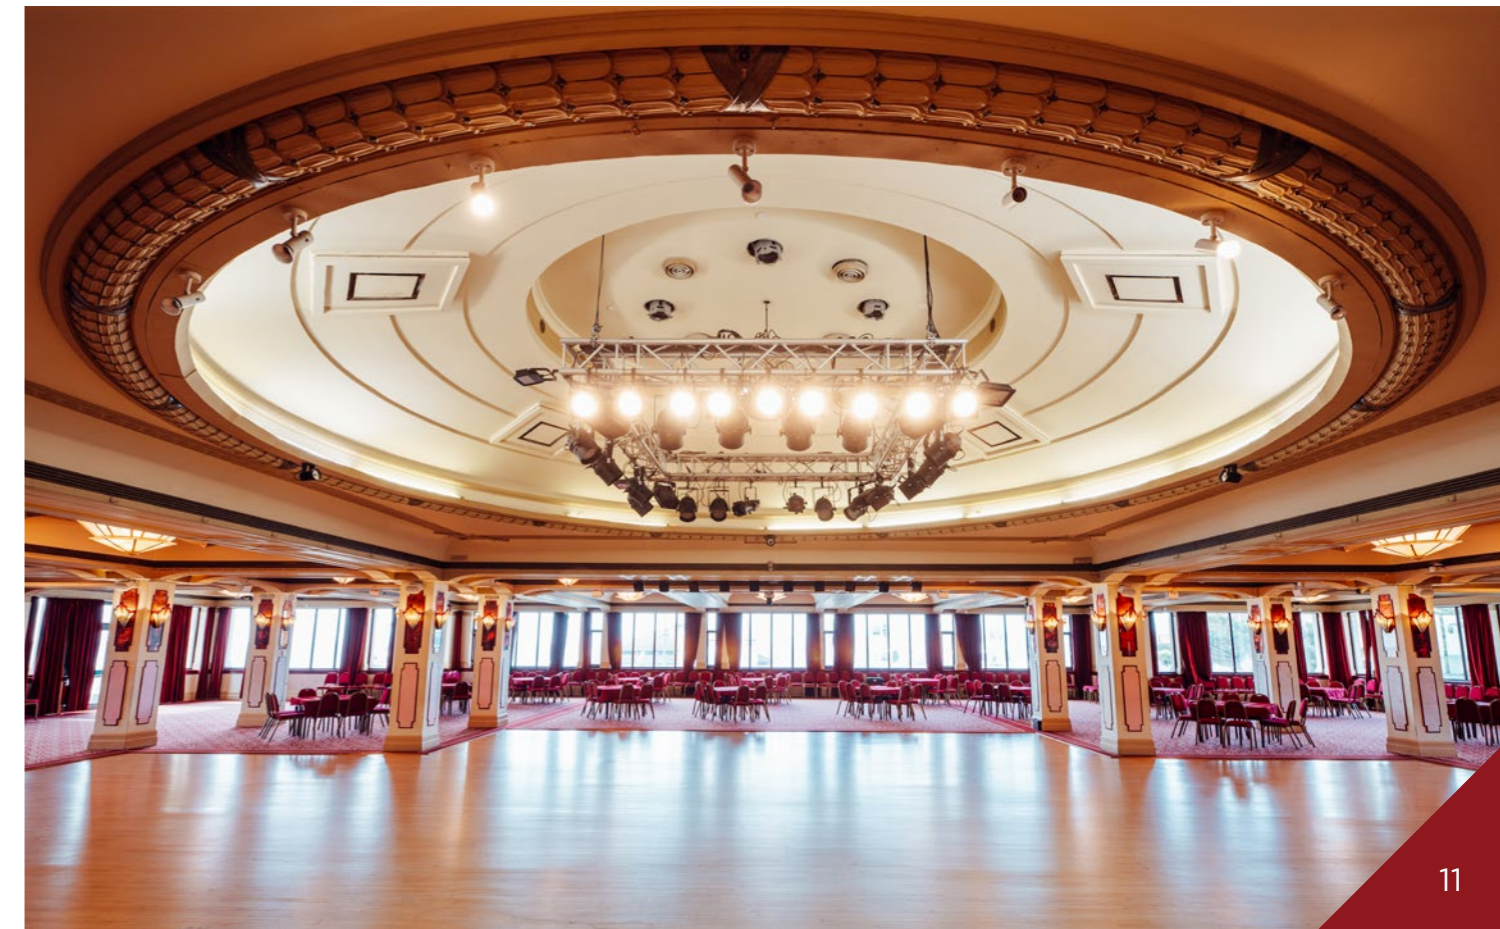

Complementing the main event

Our sister venue is the stunning, art deco Bournemouth Pavilion.

A lavish, Grade II listed building where clients can host events of any style for every occasion.

From celebrations for up to 400 in our elegant ballroom, to corporate conferences and graduations for up to 1,432 in our theatre. We also have a range of smaller breakout spaces to support every aspect of your event.

HOSPITALITY

We know how important it is to get the catering right for events and conferences.

Our in-house catering team will work with you to plan a customised menu, suited to your event schedule, style and visitor numbers.

Designing menus, food stations and tablescapes for any style of event, from black-tie to quirky and everything in between.

We'll think of everything, from mid-morning coffee, homemade cakes, light lunches or afternoon tea for informal business meetings and networking, to banquets, fine dining and sumptuous gala dinners for international conferences, exhibitions and corporate events.

And we won't be phased by numbers or the versatility of food intolerances. Whatever the event, we're here to add the 'YUM' factor!

That's in addition to the flexibility of our halls. Say you want a champagne reception in the Purbeck Hall, a formal gala dinner in the Windsor Hall and a night of dancing to a live band in the Solent Hall – we'll design the configuration of spaces for you.

Whatever
the event, we're
here to add the
'YUM' factor!

SUSTAINABILITY

We're very aware of our environmental responsibilities as the South's leading leisure and events venue and our role in community when it comes to protecting the environment.

Our commitment to being green

REDUCE energy consumption. Keeping abreast of the latest energy efficient tech and operational practices.

UTILISE resources, where practical, from sustainable (green) energy.

MINIMISE waste products which directly occur from venue business/activities.

MINIMISE our negative impacts on the environment.

CONSIDER the environmental impact over the lifecycle of products and services we buy – prioritising the re-use and replacement of products over single use alternatives.

RECYCLE as much waste material as possible – providing recycling points in all the facilities we operate.

MAKE BUYING DECISIONS based on a balance of economic, social and environmental factors.

COLLABORATE with partners to raise awareness of environmental issues and encourage our partners to have a positive impact on the environment through their own behaviours and initiatives.

DEVELOP & IMPLEMENT an Environmental Management System (EMS) that complies with the latest UK legislation and where possible, best codes of practice.

ADDITIONAL SERVICES

We cover all bases because we want your event to go as smoothly as you do

AV Production

Our in-house, audio-visual team has been giving event organisers an impressive show of pre-production, sound, lighting, visual packages and bespoke brand theming for years - and all at very competitive prices.

Wi-Fi & Hardwired Connections

Bournemouth International Centre is a fully Wi-Fi enabled venue. Your delegates and exhibitors can enjoy access to FREE Wi-Fi for general browsing and email requirements.

For organisers requiring a permanent internet connection and/or multi-user premium Wi-Fi service, we have extended connectivity. Please ask our events coordinator for details.

Exhibition Design, Shell Scheme Build & Exhibition Electrics

We work closely with The Intershell Group, our recommended supplier of exhibition design and shell scheme builds. They're an industry leader, servicing over 300 exhibitions across the UK every year.

Since 1990, they've been designing floor plans and supplying electrics, furniture, floor coverings, poster boards, graphics and print, as well as one-off bespoke stands.

A 'one-stop shop' for exhibition builds.

Security

Our number one priority is to keep our visitors safe. Please contact our events coordinator for details.

Hotels & Accommodation

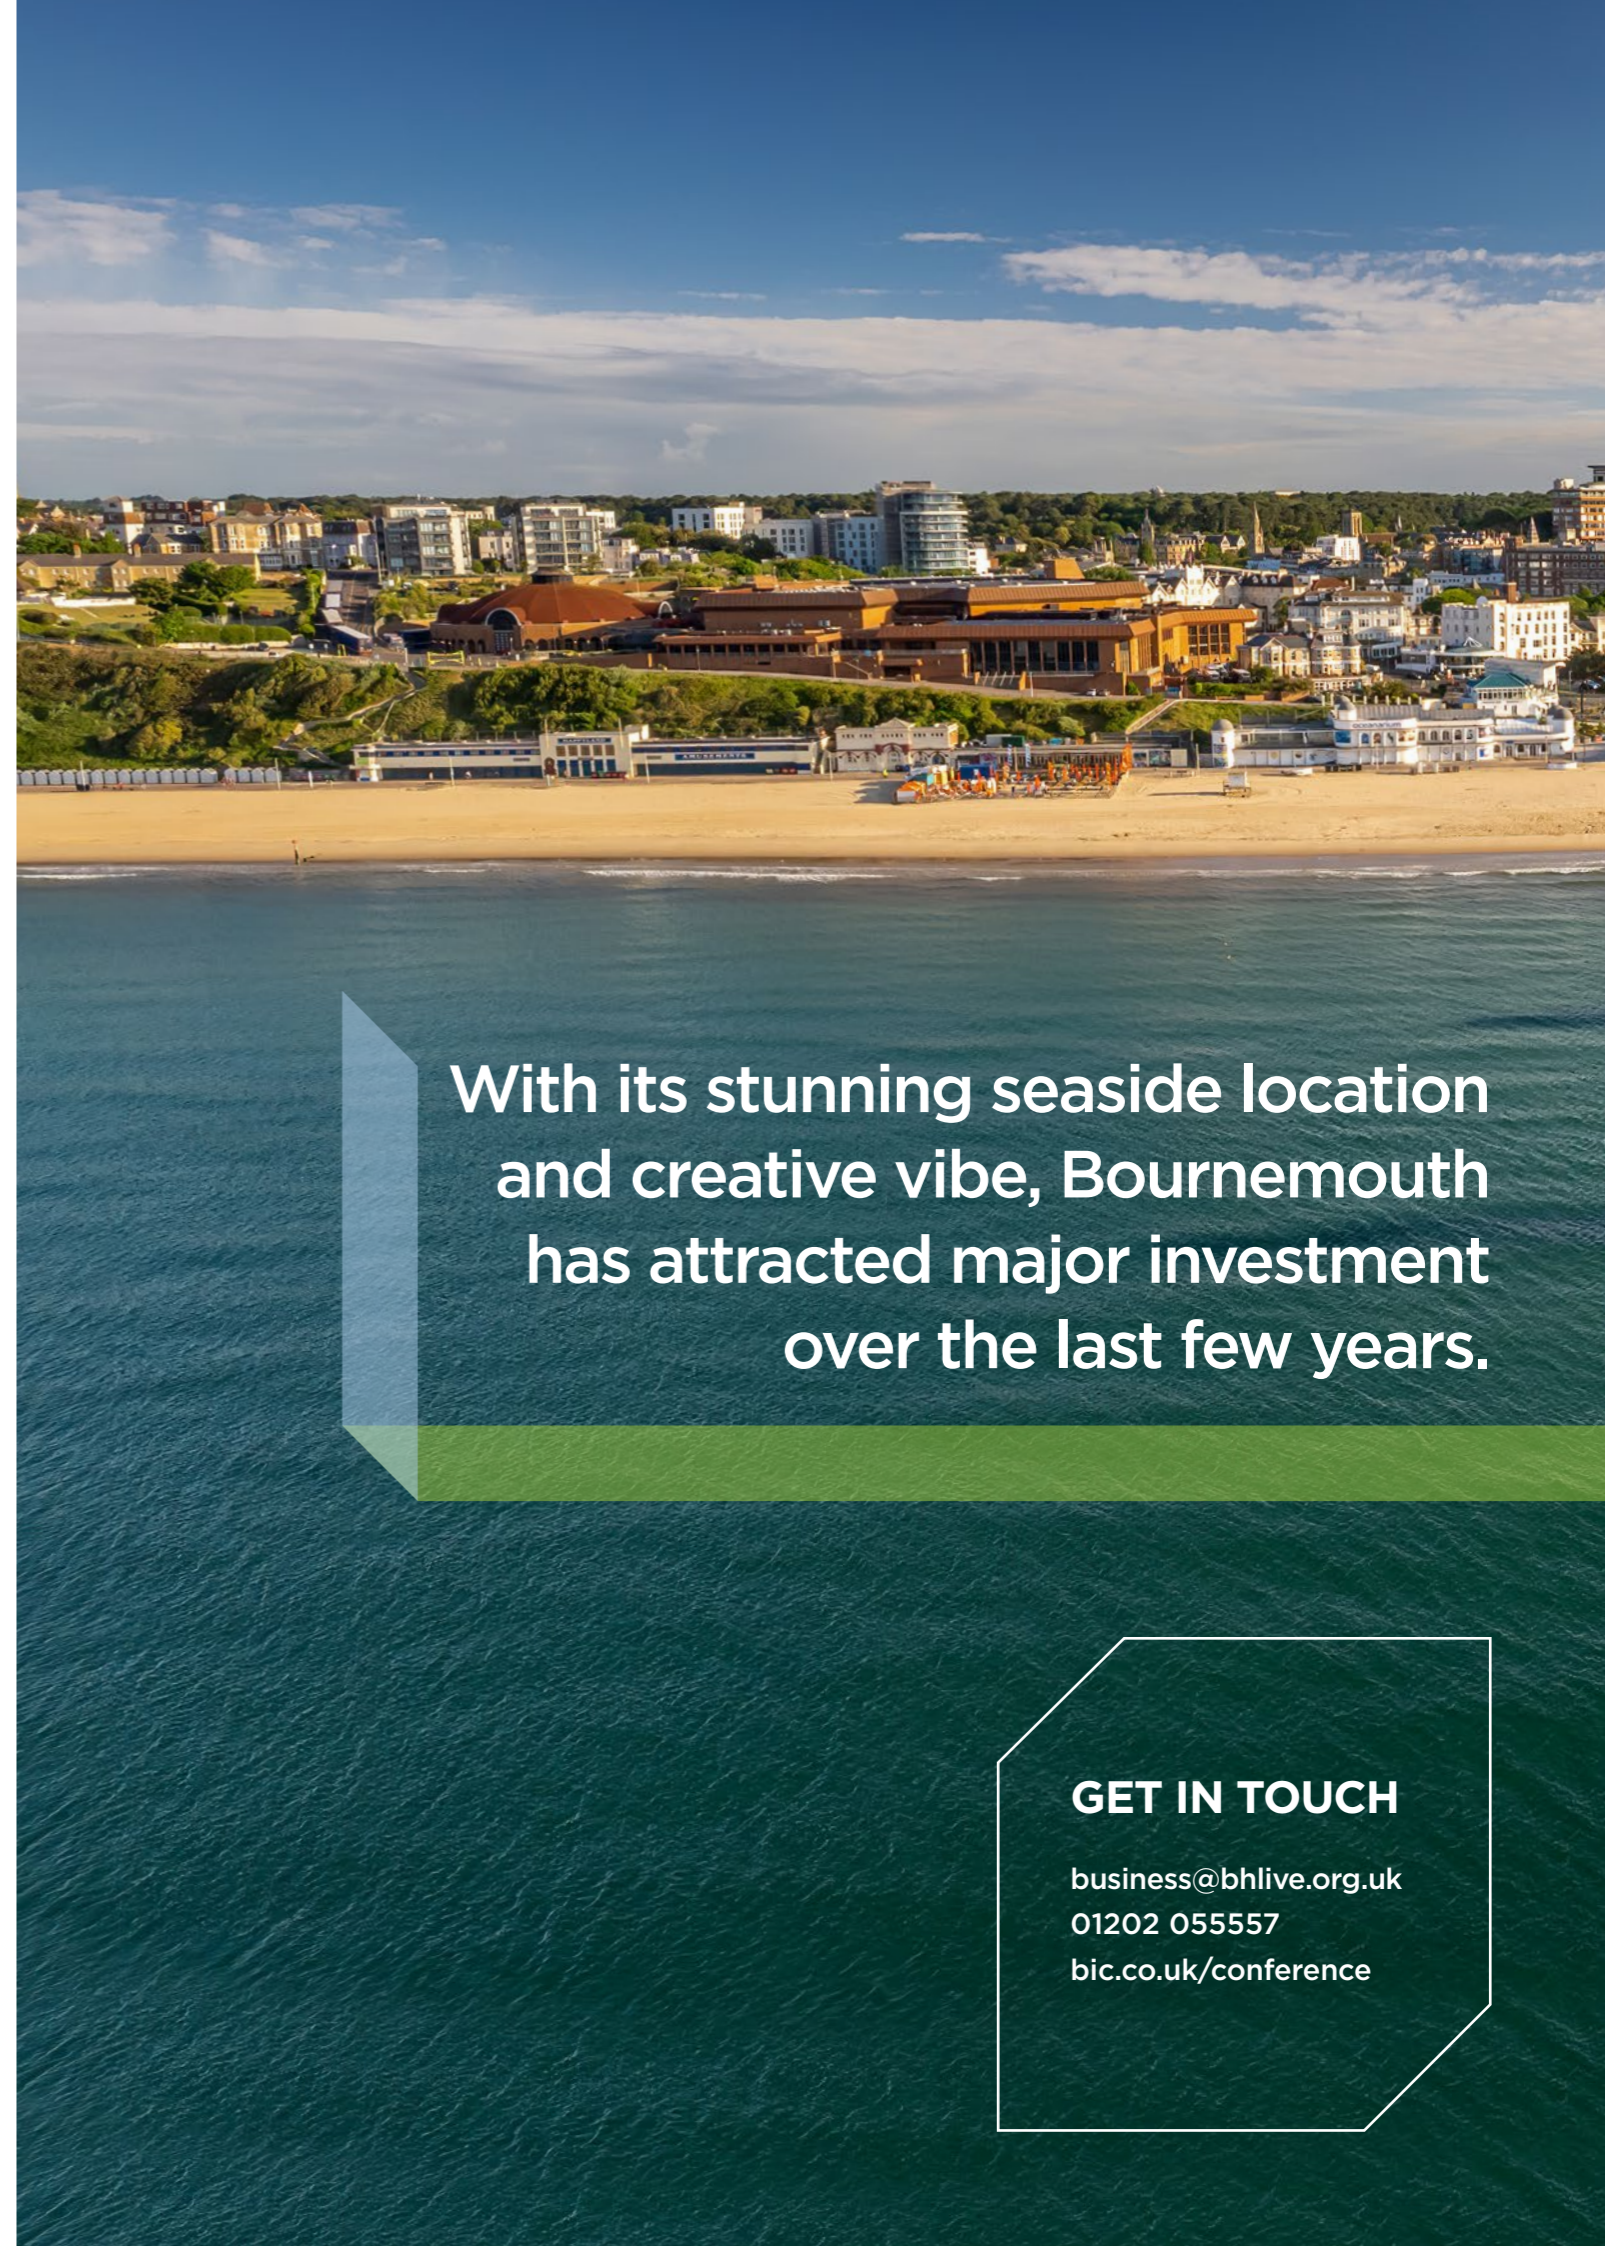

With its stunning seaside location and creative vibe, Bournemouth has attracted major investment over the last few years with beautiful new hotels popping up on the clifftop and refurbishments taking your stay in Bournemouth to a whole new level.

We're very proud that Bournemouth offers more than 7,000 bedrooms; from cosy, family run B&Bs through to luxurious and contemporary five-star properties with all the facilities you could want.

And thousands of them only a 10-minute 'take in the sea air' walk from BIC.

Our accommodation partners at Business Events Bournemouth are very happy to match you with the perfect overnight stay.
